CAREER OBJECTIVE

I am a multilingual and experienced person with a background in roles such as a care assistant, waiter, holiday farm and more. I can adapt to different workspaces and I am versatile in working independently or as part of a team.

Computer skills
Proficient in Microsoft Office 2016, video and image editing

EXPERIENCE

Health Assistant

2022-2024

I worked with people who have done the surgery. I worked with young adults in neuropsychiatry and intellectual disabilities. My task was to support users based on individual needs, which lead to a good and independent life. My tasks included support in everyday life with everything from communication, stimulation of leisure activities to household chores. The word also includes social documentation and medication management.

Nurse Assistant

2022/2 -2022/3

I have practiced at the geriatrics department in the Mölndal hospital, the Molndal orthogeriatrics department, specializing in orthopedics.

Nursing Home

2020/10 – 2020/10

I have practiced in Gamla Stan “The old city” home nursing in Gothenburg. My tasks included companionship for people with, among other things, medicine care and hygiene.

Senior Care

2020

I have practiced at the Lövgärtded senior care Gothenburg for a month. My duties were to care for elderly people with dementia who need support with everyday life.

Community Support

2021

I have practiced at the Kryddhyllan Residence with special service as a support assistant in Gothenburg. My job was to help people with different neuropsychiatric disabilities such as ADHD, Asperger's syndrome.

Personal Health Assistant

2021-22

I worked part time at Hallegatan, Abogarden and Backa Kyrkogatan assisting seniors plan and organize their medical appointments and other activities both personal and in community settings.

Community Youth Centre

Summer 2019

I have worked in Degerfors recreation center. I was employed as a summer worker with young people in the community. My tasks were to support children and young people with various types of support, activities and programs for young people, such as counseling, leisure activities and educational opportunities.

Server

Summer 2018

I waited tables and performed kitchen duties at Cafe Berget in Degerfors, Sweden.

Health Assistant

EDUCATION

Health and social care programme at Angeredsgymnasiet
