*Secondary School Diploma in Experimental Sciences*

Belkin 2 High School, Adrar, Algeria

2014 – 2015

As an eligible candidate under Canada's Francophone Mobility Program, my recruitment process is streamlined for Canadian employers, as I am exempt from the Labour Market Impact Assessment (LMIA) under the exemption code C16. This exemption allows Canadian employers to hire qualified Francophone professionals like myself more easily. Additionally, my bilingual abilities enable me to communicate effectively with both English- and French-speaking patients and colleagues, thereby enhancing the quality of care and teamwork. You can find more information on this exemption [here](#)
